

A collection of luxury accessories is displayed on a dark, textured surface. In the upper left, a book with a smooth, burnt-orange leather cover and a cream-colored spine is visible. To its right, another book with a rich, dark brown leather cover is partially shown. Scattered around the books are various metal hardware pieces: a polished silver-toned buckle with a ring, a brass-toned swivel clasp, a silver-toned swivel clasp, a large silver-toned rectangular buckle, a small silver-toned clasp, a silver-toned D-ring buckle, a silver-toned rectangular buckle, a silver-toned swivel clasp, and a large black leather strap with a silver-toned buckle. In the bottom right corner, a portion of a wristwatch with a round silver-toned case and a dark leather strap is visible.

Leather Links

We are an OEM, creating hardware solutions for bags, belts, garments and saddles for more than 40 years.

From in-house, state-of-the-art designing, die mould development and best processes to deliver a finished product of superior quality and functionality.

We, at **Leather Links**, understand that superior quality is never an accident. We value the continuous effort it takes to create a thing of beauty and the continuous improvements required to make it sustainable in the dynamic demands of the market.

Our wide range of products include *belt buckles, swivel hooks, snap hooks, clasps, strap adjusters, bag fittings, purse locks, side-push release clasps, zippers, equestrian hardware, monograms* and other personalized branded products.
